No person will however be allowed to deposit and bid jointly at the sale.

The deposit of unsuccessful bidders will be returned to them at the conclusion of the sale.

4. The sales will be subject to confirmation by the Conservator of Forests who does not bind himself to accept the highest or any bid. It is possible that the Conservator of Forests will himself be present at the time of sale and the result of sale may, therefore, be announced on the spot.

5. Each purchaser shall, immediately after a lot is knocked down to him, sign his name at foot of the sale list in the column provided for the purpose. Such signature shall be held as an admission on his part of having bought the lot.

6. Immediately after the sale, each purchaser, if his offer has been accepted by the Conservator of Forests for that lot, will be furnished with a memorandum showing the total amount due by him and shall pay 50 per cent of the sum, less the earnest deposit referred to above, into any of the Government treasuries at Vellore or Tirupattur or remit it into the Imperial Bank of India, Madras, or Vellore payable to the Accountant-General in Madras, before the 16th January 1923, and the balance before 14th March 1923 or before removal of the sandalwood purchased from the depot premises whichever is earlier.

7. Should any purchaser fail to make the payment as indicated above on the due date, the sandalwood purchased by him will be resold at his risk, the earnest deposit made by him forfeited to Government, and any loss occurring by such resale recovered from him as if it were arrears of land revenue. Should however any profit arise by such resale, the defaulter shall not participate in it.

8. The purchaser must take delivery of the sandalwood before 11th March 1923 but he will not be allowed to remove any wood until payment has been made in full for the entire quantity of wood purchased. If delivery is not taken within the time allowed, a demurrage of Rs. 10 per day will be charged until such time as the wood is removed from the depot premises—vide paragraph 11 infra.

9. On presenting the chalan to the officer in charge of the depot for the payment of value of the sandalwood purchased by each merchant, the wood will be weighed as it is, in the depot, in the presence of the purchaser or his *deerabdid* agent by an officer of the department not lower in rank than that of a Forest Ranger. No further cleaning or classification of the sandalwood will be undertaken by the Forest Department nor will purchasers be allowed to clean any wood previous to weighment. The classification, cleaning and weighment as determined by the Forest Department must be accepted. Should any deficiency occur after weighment, the value of the deficiency will be refunded to the purchaser or if an excess is found it shall be paid for by him.

10. The purchaser shall bear the cost of weighment at the time of delivery.

11. The purchaser will be allowed reasonable time not exceeding beyond 11th March 1923 to remove his wood after weighment and delivery. During this period the wood will be kept in the depot at his risk and loss. If the purchaser fails to remove all the wood within the period, any sandalwood remaining unremoved, will become the property of Government.

12. Special endeavours will be made if required to secure railway facilities to the purchasers for the transport of their sandalwood by rail.
